

ACHARYA'S NR INSTITUTE OF PHYSIOTHERAPY

Affiliated to RGUHS

- Global-standard curriculum with opportunities for international healthcare immersion.
- Hands-on clinical experience through a dedicated in-house clinic and healthcare collaborations.
- Community outreach programs offering impactful, real-world physiotherapy practice.
- Practical training that integrates theory with hands-on applications beyond the classroom.
- Cutting-edge labs and a digital library for comprehensive learning resources.
- Holistic development with clubs, extracurriculars, and a focus on soft skills.

**MASTERS IN PHYSIOTHERAPY (M.P.T) -
CARDIO-VASCULAR
& PULMONARY SCIENCES**

About

Our comprehensive two-year Master of Physiotherapy (MPT) program offers an in-depth focus on cardiovascular and pulmonary rehabilitation, combining cutting-edge research, hands-on clinical experience, and specialized training. Taught by renowned faculty who are active practitioners and researchers in the field, the program covers evidence-based practice, advanced cardiac and pulmonary assessment techniques, exercise prescription for special populations, critical care physical therapy, cardiopulmonary diagnostics and monitoring, clinical decision-making in complex cases, and research methodology and implementation.

Career Scope

With the rising prevalence of cardiovascular and respiratory conditions and with increasing global burden of non-communicable diseases, skilled cardiopulmonary physical therapists and promoters of Wellness and Physical activity are more crucial than ever. Graduates excel in various settings, such as :

- Hospital-based cardiac and pulmonary rehabilitation
- Intensive care units
- Outpatient cardiopulmonary clinics
- Research institutions
- Academic settings

Eligibility

Bachelor's degree in Physical Therapy

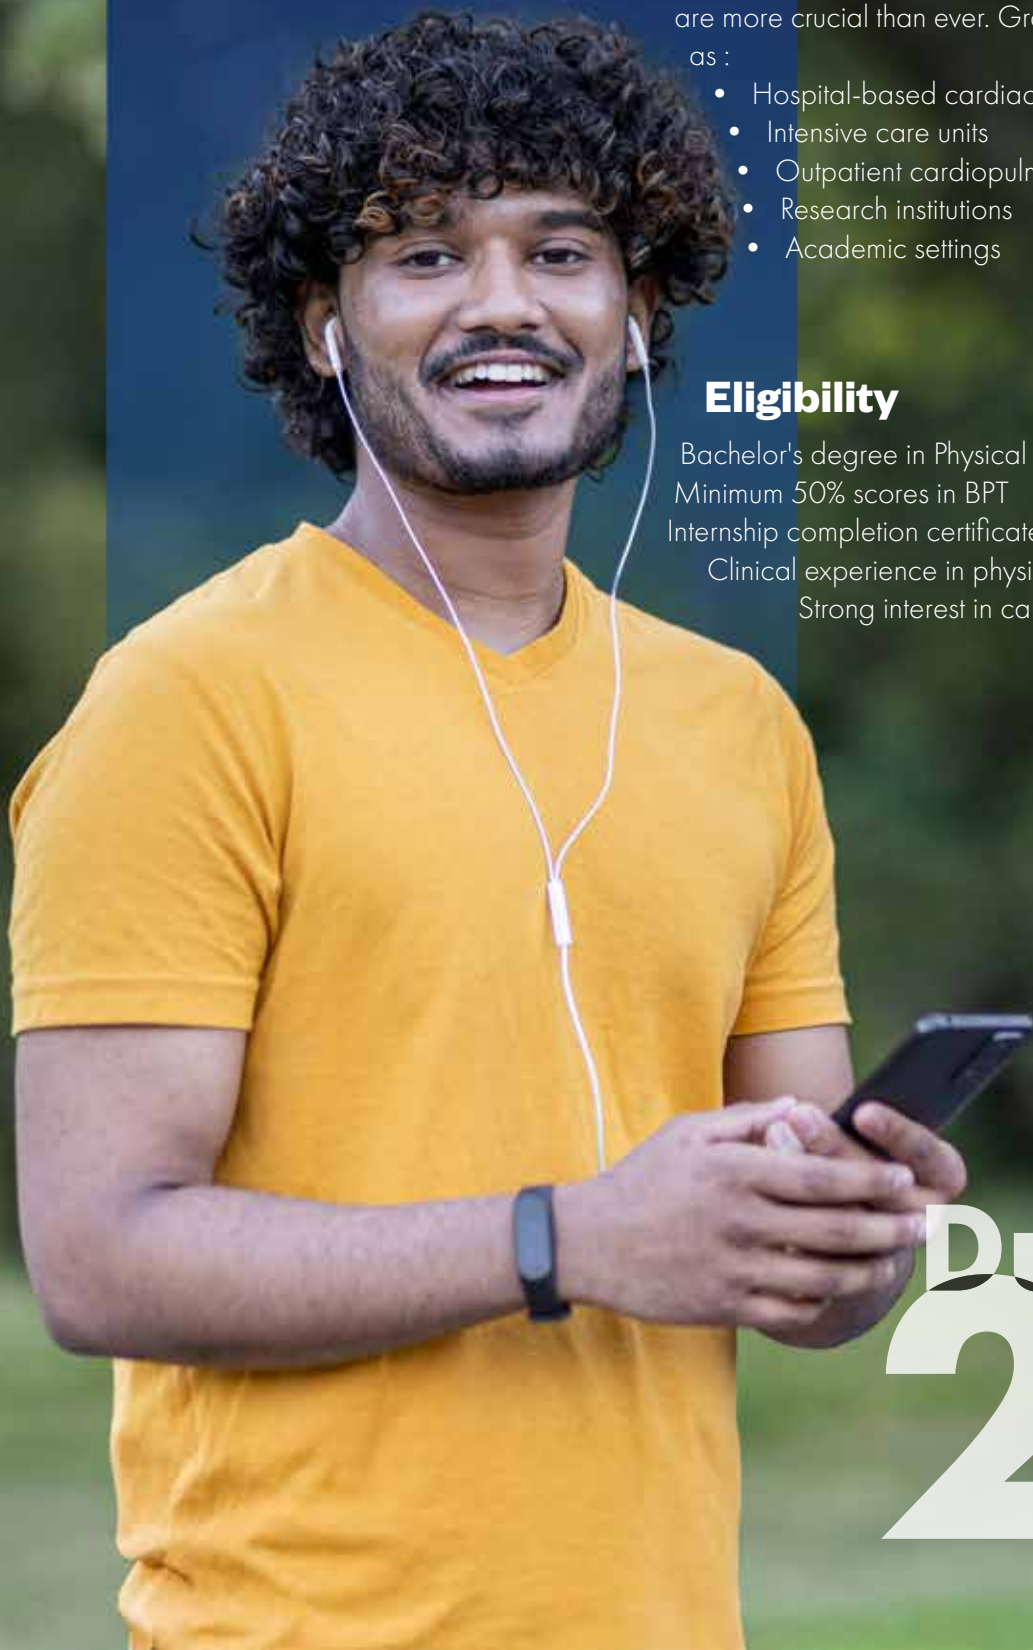

Minimum 50% scores in BPT

Internship completion certificate

Clinical experience in physical therapy (preferred)

Strong interest in cardiopulmonary rehabilitation

Duration
2 years

COURSE CONTENT

- PAPER 1 : Fundamentals in Physiotherapy Practice, Pedagogy and Research
- PAPER 2: Basics of Cardiovascular and Pulmonary Sciences
- PAPER 3: Physical Assessment and Functional Diagnosis Of Cardiovascular And Pulmonary Sciences
- PAPER 4: Physiotherapy Interventions in Cardiovascular and Pulmonary Sciences

Acharya Legacy

Founded in 1990, Acharya aims to revolutionize education. With over 12,000 students and 100+ academic programs annually, it stands among the global education elite. Located in India's technical hub, Bangalore, Acharya prioritizes innovation and knowledge. The institution fosters experiential and collaborative learning, shaping well-rounded individuals, evident in its diverse student population from 75+ countries.

11 Institutions

15 Research Centers

100+ Programmes

75+ Nationalities

12000+ Students

1000+ Eminent Faculties

120 Acres State-of-the-Art Campus
