- Cutting-edge labs and a digital library for comprehensive learning resources.
- Holistic development with clubs, extracurriculars, and a focus on soft skills.

MASTERS IN PHYSIOTHERAPY (M.P.T) - SPORTS SCIENCES

About

The Master of Physiotherapy (MPT) in Sports Sciences is designed for individuals interested in working with athletes and active individuals to prevent, manage, and rehabilitate sports-related injuries. It combines theoretical knowledge with hands-on experience in a specialized area of physiotherapy, focusing on maximizing performance, injury prevention, and recovery in the sports context.

Career Scope

As sports and physical activity continue to play a major role in societal health, there is an increasing demand for qualified sports physiotherapists. The growing focus on injury prevention, rehabilitation, and improving athletic performance offers numerous career opportunities in the field.

- Sports Teams and Organizations
- Sports Medicine Clinics
- Fitness Centres and Wellness Programs
- Research and Education
- Entrepreneurship in Sports Physiotherapy

Eligibility

Passed BSc (PT) or BPT degree with at least 50% marks from a recognized university. Those who have completed BPT through bridge course, later entry after a diploma in Physiotherapy or completed a 6-month compulsory rotating internship from a recognized university can also apply.

Duration
2 years
