

ACHARYA SCHOOL OF DESIGN

Affiliated to BCU

Acharya School of Design is a hub where creativity meets opportunity. With a curriculum aligned to global standards and guided by industry-experienced faculty, students gain hands-on experience through real-world projects, professional collaborations, and cutting-edge labs. The program equips aspiring designers with the skills, tools, and global exposure needed to transform ideas into impactful design solutions across fashion, UI/UX, interiors, and more.

- Programs aligned with global standards, led by industry-experienced faculty.
- Hands-on, studio-centered learning with practical design projects.
- Skill-building certifications in Autodesk, UI/UX, and other design tools.
- Direct industry exposure through workshops, seminars, and internships.
- Advanced design labs and access to LinkedIn courses and high-performance laptops.

B.V.A INTERIOR AND SPATIAL DESIGN

**Global Immersion
Track - Europe**

About

The core objective of the course is to understand that humans are always associated with space and have an increasingly deeper association with the space they live, work, or visit. In the process of living together, spaces will develop their own identities that are connected to the aesthetic appreciation, taste, and style of human beings. Acharya's BVA in Interior & Spatial Design will help students develop sensibilities to identify human beings' relationships with their spaces. Our collaboration with Medini ensures comprehensive exposure to AutoDesk software, enhancing students' proficiency in industry-standard tools.

- **Global immersion experience** with access to a top design university in Milan, Italy, and an internationally recognised design certification.
- **In-depth interior & spatial design curriculum** that teaches students to understand human relationships with space and apply design principles effectively.
- **Exposure to industry-standard tools** such as CAD and 3D modeling, supported by collaboration with Adobe for hands-on software proficiency.
- **Focus on design research and thinking** — students learn research methodology, conceptualisation, planning, and problem-solving for innovative design outcomes.

Career Scope

- **Interior & spatial design roles** such as Interior Designer, Spatial Designer, Retail Designer, Corporate Interior Designer and Design Consultant.
- **Creative specialist careers** including Exhibition Designer, Colour Consultant, Production/Art Designer and Landscape or Kitchen Designer.
- **Design and planning opportunities** in architecture studios, real estate firms, hospitality and commercial design, as well as independent design practices.

Eligibility

10+2 in any stream OR 3-year diploma as applicable.

Duration
4 years

COURSE CONTENT

Semester 1

- Design Fundamentals- I
- Drawing Fundamentals- I
- Design Language-1

Semester 2

- Design Fundamentals-2
- Drawing Fundamentals-2
- Design Fundamentals-2

Semester 3

- Form & Space - Furniture Design
- Interior Design Materials & Applications
- Technical Drawing

Semester 4

- Design Studio: Space & Planning
- Interior Design Materials & Application II – Metal and Glass
- Architectural Elements and Service

Semester 5

- Interior Design Studio II - Inhabitations
- User Element Design
- Advance Visualization Method
- History of Design (Interiors) Theory

Semester 6

- Interior Design Studio: III
- Complex Furniture Systems
- Landscape Design
- Estimation and Project Management

Semester 7

- Graduation Project-I
- Design Thesis

Semester 8

- Graduation Project-II
- Internship

FEE STRUCTURE

Refer offer letter for the actuals.

Inclusions: Tuition Fee, University Registration, Eligibility Fee, Miscellaneous Fee, Laboratory Fee, Library Fee and Sports Fee.

Exclusions: Uniform & Stationery.
Examination Fee as prescribed by the University / Board.

The Program includes OBT, Soft Skills Training, Long Term Domain Training and LinkedIn Learning. Students are also provided with a Complimentary Laptop.

Acharya Legacy

Founded in 1990, Acharya aims to revolutionize education. With over 12,000 students and 100+ academic programs annually, it stands among the global education elite. Located in India's technical hub, Bangalore, Acharya prioritizes innovation and knowledge. The institution fosters experiential and collaborative learning, shaping well-rounded individuals, evident in its diverse student population from 75+ countries.

11 Institutions

15 Research Centers

100+ Programmes

75+ Nationalities
