ACHARYA INSTITUTE OF ALLIED HEALTH SCIENCES

Affiliated to RGUHS

Established in 2019, Acharya Institute of Allied Health Sciences (AIAHS) offers specialized bachelor's programs across diagnostic, technical, therapeutic, and support services in healthcare. With a globally aligned curriculum, advanced simulation labs, and hands-on clinical exposure through partnerships with leading hospitals, AIAHS equips students with practical skills, professional competence, and community-focused experience, making it a top choice for Allied Health Sciences education in Bangalore.

- Specialized programs providing a strong foundation in Allied Health Sciences.
- Globally aligned curriculum with international immersion opportunities.
- Advanced simulation centers, labs, and in-house clinics for hands-on training.
- Real-world clinical experience with tie-ups at renowned hospitals.
- Community outreach programs integrating theory with practical, career-ready skills.

B.SC ANESTHESIA AND OPERATION THEATRE TECHNOLOGY

About

The BSc program in Anesthesia and Operation Theatre Technology at Acharya Institute of Allied Health Sciences is designed to equip students with comprehensive clinical exposure, enabling them to become confident medical professionals in the operation theatre, both before and after medical procedures. Through this program, students acquire in-depth knowledge of various anesthesia techniques, familiarize themselves with a wide range of instruments, and gain expertise in handling relevant technology.

- **Comprehensive clinical training** in anesthesia techniques, operation theatre management and patient safety, blending theory with real practice.
- **Affiliated B.Sc. degree** awarded through **Rajiv Gandhi University of Health Sciences**, recognised for health sciences education.
- **Hands-on exposure to medical instruments and technologies** used in surgical and perioperative settings.
- **Structured curriculum with practical and clinical immersion** preparing students for work in diverse healthcare environments.
- **Real-world scenarios and experiential learning** through supervised training that builds confidence and job-ready skills.

Career Scope

- **Clinical and technical roles** such as **Anesthesia Technician** and **Operation Theatre Technician** in private and government hospitals.
- **Support roles in surgical care** including **Medical Consultant, Anesthesia Consultant** and **Clinical Associate** across surgical and emergency departments.
- **Further education and specialised pathways** with opportunities to pursue postgraduate studies or advanced certifications in healthcare technology and management.
