ACHARYA INSTITUTE OF ALLIED HEALTH SCIENCES

Affiliated to RGUHS

Established in 2019, Acharya Institute of Allied Health Sciences (AIAHS) offers specialized bachelor's programs across diagnostic, technical, therapeutic, and support services in healthcare. With a globally aligned curriculum, advanced simulation labs, and hands-on clinical exposure through partnerships with leading hospitals, AIAHS equips students with practical skills, professional competence, and community-focused experience, making it a top choice for Allied Health Sciences education in Bangalore.

- Specialized programs providing a strong foundation in Allied Health Sciences.
- Globally aligned curriculum with international immersion opportunities.
- Advanced simulation centers, labs, and in-house clinics for hands-on training.
- Real-world clinical experience with tie-ups at renowned hospitals.
- Community outreach programs integrating theory with practical, career-ready skills.

BACHELOR OF HOSPITAL ADMINISTRATION

About

This comprehensive undergraduate program is tailored for individuals with strong leadership and organizational skills. It offers foundational courses covering the basics of healthcare management, organizational behavior, and principles of administration. Students explore healthcare policies, regulations, and ethical considerations in the administration of healthcare institutions while gaining a deep understanding of the systems and processes for managing health information.

- **Comprehensive healthcare management curriculum** covering hospital systems, healthcare policies, organizational behaviour, quality care, and strategic planning to build strong administrative foundations.
- **Focus on managerial and leadership skills** including human resource management, marketing, finance and hospital operations tailored for healthcare environments.
- **Integration of healthcare information systems** enabling students to understand and manage medical records and health information processes.
- **Emphasis on ethics and governance** in health services administration to ensure professional conduct and efficient facility management.

Career Scope

- **Healthcare administration roles** such as **Hospital Administrator, Healthcare Coordinator, Patient Services Manager** in hospitals, clinics and health systems.
- **Strategic and support positions** including **Healthcare Consultant, Health Information Manager,** and **Medical Office Manager** with responsibility for operational efficiency.
- **Specialised management careers** in human resources, quality and operations departments within healthcare organisations or consulting firms.
