ACHARYA INSTITUTE OF ALLIED HEALTH SCIENCES

Affiliated to RGUHS

Established in 2019, Acharya Institute of Allied Health Sciences (AIAHS) offers specialized bachelor's programs across diagnostic, technical, therapeutic, and support services in healthcare. With a globally aligned curriculum, advanced simulation labs, and hands-on clinical exposure through partnerships with leading hospitals, AIAHS equips students with practical skills, professional competence, and community-focused experience, making it a top choice for Allied Health Sciences education in Bangalore.

- Specialized programs providing a strong foundation in Allied Health Sciences.
- Globally aligned curriculum with international immersion opportunities.
- Advanced simulation centers, labs, and in-house clinics for hands-on training.
- Real-world clinical experience with tie-ups at renowned hospitals.
- Community outreach programs integrating theory with practical, career-ready skills.

BACHELOR IN OCCUPATIONAL THERAPY

About

Occupational therapy focuses on helping individuals of all ages overcome challenges in daily life due to physical, cognitive, emotional, or developmental issues. The goal is to enhance individuals' ability to participate in meaningful activities and improve their overall quality of life.

- **Comprehensive occupational therapy curriculum** blending anatomy, physiology, psychology and sociology to support understanding of physical, cognitive and emotional challenges.
- **Focused training in therapeutic interventions** including activity analysis, assistive technologies and application of core occupational therapy principles.
- **Hands-on practical exposure** with real-world clinical practice that enables students to apply theory to patient care settings.
- **Opportunities for specialisation** in areas like paediatrics, mental health, geriatrics and physical rehabilitation.
- **Development of professional skills** such as assessment, critical thinking, communication and leadership for effective interdisciplinary practice.

Career Scope

- **Occupational therapist roles —** Graduates can work as **Occupational Therapists** in hospitals, rehabilitation centres, private clinics and community health settings.
- **Specialised healthcare roles** — Opportunities include **Paediatric Occupational Therapist, Geriatric Care Coordinator, Assistive Technology Specialist** and **Mental Health Rehabilitation Worker.**
- **Community and support careers** — Paths such as **Rehabilitation Coordinator, Community Health Worker** and **Home Health Occupational Therapist** with NGOs or healthcare agencies.

Accreditations:

- All India Occupational Therapists' Association (AIOTA)
- World federation of Occupational Therapist (WFOT)
