B.COM ACCA

About

The BCom with ACCA is a three-year program, offering an undergraduate course in Bachelor of Commerce uniquely structured with the integration of ACCA papers. This integration streamlines the path for students to attain the ACCA Professional qualification seamlessly.
ACCA is a globally recognized qualification that holds significant value in enhancing students' understanding of business and commerce on an international scale. This credential, provided with the academic support of Grant Thornton, also serves as a benchmark for excellence in the ever-evolving global business landscape.

- **Integrated B.Com with ACCA curriculum —** the programme seamlessly combines a Bachelor of Commerce degree with ACCA (Association of Chartered Certified Accountants) papers, offering an efficient path to the ACCA professional qualification.
- **Globally recognised ACCA credential** that enhances international employability and deepens students' understanding of global business and finance.
- **Comprehensive business and finance focus** covering accounting, corporate tax, auditing, company law and financial management.
- **Skilled faculty and professional support —** experienced educators provide industry insights, practical learning and mentorship throughout the programme.
- **Opportunity for international networking** and broader global exposure by virtue of the ACCA integration.

Career Scope

- **Accounting & finance careers —** roles such as **Accountant, Auditor, Tax Accountant, Finance Officer and Junior Analyst** across corporate, financial and consulting sectors.
- **Professional business roles —** opportunities as **Business Analyst, Consultant, Company Secretary and Sales Analyst** with enhanced strategic and analytical skills.
- **Global & specialist pathways —** prospects in international finance firms, Big Four firms, multinational corporations and financial consultancy environments where ACCA skills are in demand.
