CMA® CERTIFIED MANAGEMENT ACCOUNTANT

B.COM CMA

About

The Bachelor of Commerce (B.Com) CMA refers to a specialized program that integrates the study of Commerce with the Certified Management Accountant (CMA) qualification. This program aims to provide students with a comprehensive understanding of commerce-related subjects such as accounting, finance, operations, human resources, and marketing, along with a specific focus on management accounting. Our collaboration with It's My Logic further enriches this program, offering students valuable insights into current industry trends. The partnership also provides internships and job placement aid, facilitating students in acquiring work experience and transitioning seamlessly into the workforce post-training.

- **Integrated B.Com with CMA qualification —** combines a strong commerce foundation with the globally recognised Certified Management Accountant credential from the Institute of Management Accountants.
- **Industry-focused curriculum** covering accounting, finance, auditing, taxation, corporate law, operations, HR and marketing for comprehensive business understanding.
- **Collaboration with It's My Logic** for enhanced industry insights, internships and placement support to build practical skills.
- **Simultaneous graduation and professional certification —** students work toward their degree and international CMA qualification together.
- **Expert faculty and job readiness training** delivered by industry-experienced educators to prepare students for real-world roles.

Career Scope

- **Management accounting & finance roles —** such as **Management Accountant, Cost Accountant, Financial Analyst, Budget Analyst and Internal Auditor.**
- **Strategic and analytical positions —** including **Corporate Treasurer, Risk Analyst, Investment Analyst and Forensic Accountant** in corporate and consulting environments.
- **Global finance and consulting pathways —** opportunities in multinational firms, financial services, business consultancy and leadership-oriented roles.
