nirf

Acharya Institute of Graduate Studies (AIGS), established in 2005, is one of Bengaluru's leading graduate colleges, committed to delivering industry-aligned undergraduate and postgraduate education. With innovative programs across sciences, technology, commerce, management, design, and languages, AIGS focuses on practical learning, career readiness, and holistic student development.

- Learn from experienced faculty with strong academic and industry exposure.
- Gain practical advantage through certifications such as AWS, ACCA, and other skill-based programs.
- Access global exposure through international immersion and collaborative learning opportunities.
- Benefit from personalized mentorship and a digitally rich library ecosystem.
- Achieve strong career outcomes with 550+ recruiters visiting annually for placements.

B.B.A AVIATION

Powered by

BIA&L

(IATA)

About

The BBA Aviation program aims to produce skilled professionals for the aviation sector and allied fields of travel and tourism. Being offered by Bangalore City University, the BBA Aviation program has the added advantage of having a built-in IATA / UFTAA Foundation Course offered by BIAL in its curriculum. This feature enhances the program's practical relevance in meeting the business demands of the aviation sector.

- **Specialised aviation management curriculum** covering Aviation Management, Aircraft Operations, Airline & Airport Management, Aviation Law & Regulations, and Safety & Security.
- **Built-in IATA/UFTAA Foundation** Course from BIAL, enhancing practical industry relevance and employability.
- **Hands-on experiential learning** through projects, exercises, group activities, and real-world aviation case studies.
- **Mentorship by industry experts** for personalised career guidance and professional insight.
- **Internship opportunities with global exposure** to aviation organisations and networking platforms.

Career Scope

- **Airport & airline operations roles –** Careers in Airport Management, Airline Management, Aircraft Operations, Air Traffic Control and related functions.
- **Aviation safety & consultancy careers –** Opportunities in Aviation Safety and Security, Aviation Law & Regulations, Aviation Consultancy and Planning.
- **Service & management pathways –** Paths in Ground Handling Services, Flight Dispatching, Cabin Crew Management, Airline Sales & Marketing, and Corporate Aviation Management.
