M.COM (MASTER OF COMMERCE)

About

Master of Commerce is a post-graduate program that deals with a thorough understanding of the world of finance and business. With the rapid changes in the business world, students need to stay updated with the latest skills and knowledge required. The M.Com program ensures that students are well-equipped to avail rewarding careers in the field of commerce.

Career Scope

Career opportunities in the field of commerce are diverse and offer a range of paths for graduates. They can pursue roles as finance analysts, management consultants, and accounts administrators, or take on positions such as area sales managers and operations managers. Additionally, entrepreneurship presents a viable option for those looking to start their own ventures. Graduates can also excel as marketing managers or administrative associates, reflecting the varied and dynamic nature of careers available in commerce.
