POST BASIC B.SC NURSING

About

Post Basic B.Sc. Nursing is a comprehensive two-year undergraduate program designed to equip students with both surgical and non-surgical nursing skills, ensuring their readiness for practical applications in real-world clinical and hospital environments.

Career Scope

Post Basic B.Sc. Nursing graduates have access to a wide array of diverse career opportunities across various healthcare settings and specialties. They can pursue roles as clinical nurse specialists, nurse educators, and nurse administrators, or work as community health nurses, pediatric nurses, and critical care nurses. Additionally, opportunities exist in psychiatric nursing, home health nursing, gerontological nursing, and hospice nursing. This breadth of options allows graduates to tailor their careers to their interests while making a meaningful impact in the lives of patients and communities.

Eligibility

Pass in 3 years diploma in General Nursing & Midwifery (GNM). Be a registered nurse.
And a minimum of two years experience in a hospital or community health nursing.
