

In association with
Health Free Organization

ACHARYA & BM REDDY COLLEGE OF PHARMACY

ACHARYA ALUMNI ASSOCIATION TRUST (AAA)

Free Health Check-up Campaign

About the Program

- The camp is organized to provide elderly residents with easy access to essential health services.
- It offers health screenings such as blood pressure, blood sugar, vision, hearing, and general physical check-ups.
- Qualified doctors and volunteers ensure comfort and compassionate care for all participants.
- The camp includes health education sessions on nutrition, medication management, and lifestyle practices.
- It helps with early detection of health issues, timely medical advice, and promotes healthier aging.
