

ACHARYA & BM REDDY COLLEGE OF PHARMACY

Guest Talk on How to convert your project to patent?

About the Program

- This session aims to create awareness among students, researchers, and faculty about the patenting process and the importance of protecting intellectual property generated from research projects.
- Provides practical guidance on identifying patentable innovations, conducting prior art searches, and assessing novelty, inventive step, and industrial applicability.
- Familiarizes the participants with the complete patent filing process, including drafting patent specifications, filing procedures, and commercialization strategies.

21st August 2026

10:00 AM to 04:00 PM

Venue: MBA Auditorium, Acharya Campus
