

NEOPHYTES-2026

ACHARYA & BM REDDY COLLEGE OF PHARMACY

About the Program

- Neophytes is a structured orientation and cultural program designed to warmly welcome freshers and introduce them to the institution's academic values, campus life, and student community.
- This interactive platform promotes meaningful engagement between freshers and senior students, fostering friendship, mentorship, and a supportive peer culture.
- It creates an opportunity for students to showcase their talents and creativity through performances and activities, encouraging self-expression and holistic development.
- A confidence-building initiative that helps new students overcome initial apprehensions and actively participate in academic and co-curricular life.
- A community-building experience aimed at nurturing a sense of belonging, collaboration, and long-term bonding.
