

ACHARYA INSTITUTE OF TECHNOLOGY

Creative Modelling: Irrigation, Hydraulic Structures & Bridges

About the Program

- Hands-on workshop on Irrigation Systems, Hydraulic Structures & Bridge Modelling
- Apply theoretical civil engineering concepts through practical model building
- Collaborate in teams to enhance communication and leadership skills
- Showcase innovative designs addressing real-world engineering challenges
- Participate in a competitive and engaging learning environment

6th May 2026

2:00 PM TO 5:00 PM

Venue: Civil Seminar Hall, Acharya Campus
