

## ACHARYA IED CELL AND NEC-FORUM @ ACHARYA

# Eureka 25'

### Idea Pitching Competition

### Culture of innovation driven Entrepreneurship

### @ Acharya Institutes

## About the Program

- The Startup & Idea Pitching Competition is a dynamic platform to ignite creativity, inspire bold thinking and empower future changemakers
- The event aims to foster a vibrant culture of innovation by encouraging students to transform ideas into actionable ventures.
- The competition is open to ideas ranging from groundbreaking products to sustainable solutions and disruptive business models.
- Participants will pitch their ideas before a panel of industry experts, academicians and potential investors
- The competition promotes cross-disciplinary collaboration and is a launchpad for turning visions into reality
