ACHARYA INSTITUTE OF TECHNOLOGY

Department of Mechanical Engineering

FutureMech Robotics, AI & Smart Automation

FutureMech Robotics, AI & Smart Automation provides students with foundational knowledge in robotics and artificial intelligence, along with hands-on experience in sensors, actuators, and autonomous systems. The program enhances innovation, teamwork, and problem-solving skills through practical sessions and a Robotics & AI Hackathon. This enables students to design intelligent and real-world robotic solutions.

16th to 20th February, 2026

9:30 AM to 05:00 PM

Venue Mechanical Seminar Hall and CAD Lab, Acharya Campus

SPEAKERS

Mr. Sukumar G

Co-founder
Robomanthan Pvt Ltd, Bengaluru

Mr. Aadish Shah

AI & Robotics Trainer
Robomanthan Pvt. Ltd, Bengaluru
