

ACHARYA INSTITUTE OF TECHNOLOGY

Department of Mathematics

INVISIO 2026 Invisible Made Visible

About the Program

- The event abstract mathematical concepts through creative 3D models
- Encourages innovation and real-world application of mathematics and promotes interdisciplinary learning
- Features interactive and visually engaging exhibits
- Enhances analytical and problem-solving skills
- Develops teamwork and collaborative learning abilities
- Strengthens technical presentation and communication skills and inspires creativity through hands-on model development
- Provides an engaging platform for experiential learning
- Encourages students to make invisible mathematical ideas visible through design and visualization

29th May 2026

2:00 PM TO 5:00 PM

Venue: Acharya Campus
