

ACHARYA INSTITUTE OF TECHNOLOGY

Department of Mathematics

Invited Talk On Mathematics Behind Modern Electronics and Innovation

About the Program

- The event highlights the role of Mathematics in modern electronics and innovation
- Explains the application of mathematical concepts in engineering and communication systems
- Creates awareness about Mathematics in emerging technologies
- Enhances students' analytical and problem-solving skills
- Encourages understanding of technological advancements through mathematics

27th May 2026

6:00 PM TO 7:30 PM

Venue: Online
