

ACHARYA INSTITUTE OF TECHNOLOGY

Department of Physics

Physics in AI National Technology Day Seminar

IN ASSOCIATION WITH

About the Program

- Highlighted the connection between Physics and Artificial Intelligence and its importance in modern technology.
- Created awareness among students about emerging AI technologies and their real-world applications.
- Encouraged innovation, research interest, and technological thinking among first-year students.
- Enhanced students' technical presentation and communication skills through seminar participation.
- Motivated students to explore interdisciplinary learning opportunities in Physics and Artificial Intelligence.

25th May 2026

10:50 AM TO 11:45 PM

Venue: Acharya Institute of Technology, Bengaluru
