

ACHARYA INSTITUTE OF TECHNOLOGY

SANKALP 2.0

A Five-Day FDP on “Empowering Educators through Creative Thinking, Digital Pedagogy, Personality Development and Institutional Adaptability.”

About the Program

- The program aims to enhance creative thinking and innovative teaching practices among educators.
- Familiarizes the participants with digital pedagogy and technology-enabled teaching tools.
- Strengthens the communication, leadership, personality, and professional competencies of faculty members.
- Develops adaptability towards institutional changes, quality practices, and evolving academic requirements.
- Promotes integrated faculty excellence for future-ready education and continuous professional development.

**3rd to 7th
August 2026**

09:00 AM to 05:00 PM

Venue: Acharya Campus
