

ACHARYA

ACHARYA INSTITUTE OF TECHNOLOGY

Department of Mechatronics Engineering and Biotechnology

ZERO PLASTIC DRIVE

About the Program

The program aims to raise awareness about the harmful effects of plastic pollution on the environment and human health.

- To promote the concept of a zero-plastic lifestyle and encourage sustainable alternatives.
- To educate participants on proper waste segregation and responsible disposal practices.
- To reduce single-use plastic usage within the campus/community.
- To collaborate with Research Heights in promoting research-based sustainable solutions.

**27th APR
2026**

Place Acharya Institute of Technology, Bengaluru

01.45 PM to 05.00 PM

Coordinators Prof. Sandeep K
Prof. Namrata Patil
