

# 2-day High Impact Bootcamp with AI Platform: Startup Readiness and Employability Skills

In Association with

 8<sup>th</sup> May to 9<sup>th</sup> May, 2026 | 9:00 AM - 5:00 PM

Venue: Acharya Institute of Technology, Bengaluru

## About the Program

This intensive bootcamp is designed to provide students with hands-on exposure to entrepreneurial thinking, problem-solving and industry-relevant skills. Through structured sessions, interactive activities, and guided mentoring, students will learn how to identify real-world problems, develop innovative solutions, understand basic startup frameworks, and strengthen essential workplace competencies such as teamwork, communication, and critical thinking.

### Objectives of the Program

- Develop an entrepreneurial mindset and innovation thinking.
- Understand the fundamentals of building and validating startup ideas.
- Strengthen key employability skills required by industry.
- Work collaboratively on real-world problem-solving exercises.
- Every student will be enabled to explore AI platform for experiential learning.

### Expected Outcomes of the Program

- Enhancing student innovation and entrepreneurship exposure.
- Strengthening institutional initiatives aligned with skill development and startup culture.
- Contributing to institutional quality benchmarks relevant to IQAC initiatives, institutional rankings and accreditation frameworks.

**Target Audience:** 1<sup>st</sup> Year Engineering Students
