2 Days
Students
Mechanical seminar hall

About Program

Objectives of the Program

- Help participants recognize their strengths, weaknesses, emotions, and values for better decision-making and personal growth.
- Equip students with the ability to express themselves clearly, listen actively, and build healthy relationships.
- Train participants to approach challenges methodically and make responsible choices in personal and professional settings. To commemorate six years of the successful implementation of the National Education Policy (NEP) 2020 and celebrate key milestones achieved in transforming education.
