

## BEYOND THE FDP : A KNOWLEDGE ENRICHMENT SESSION

22<sup>nd</sup> July 2026 | 2:30 PM to 5:00 PM

Venue: CS/IS Seminar Hall, Acharya Campus

### About the Program

Beyond the FDP: A Knowledge Enrichment Session is designed to provide a platform for faculty members to revisit, reflect on, and extend the knowledge acquired through various Faculty Development Programmes (FDPs). The session encourages participants to share key takeaways, best practices, innovative teaching strategies, and practical experiences gained during FDPs. By fostering collaborative learning and knowledge exchange, the programme aims to bridge the gap between training and implementation, enabling faculty to effectively integrate newly acquired skills into teaching, research, curriculum development, and other academic activities. This initiative promotes continuous professional development and strengthens the culture of lifelong learning within the institution.

#### Objectives of the Program

- Reinforce key concepts and skills gained during the FDP.
- Share best practices and innovative teaching approaches.
- Promote the effective application of FDP learnings in academic practice.

#### Expected Outcomes of the Program

- Enhanced knowledge and professional competencies among faculty.
- Greater adoption of innovative teaching and learning practices.
- Improved application of FDP learnings in teaching, research, and academic activities.
