

Blood Donation Camp:

A lifesaving mission

27th October, 2025 | 10:00 AM to 04:00 PM

Venue: Acharya Campus Mechanical Seminar Hall

in association with Lions club

About the Program

Blood donation camp is organized to promote the spirit of voluntary service among students and staff. It aimed to raise awareness about the significance of blood donation in saving lives and to help meet the increasing demand for blood in hospitals and emergency care.

Objectives of the Program

- To create awareness among students and staff about the importance and benefits of voluntary blood donation.
- To encourage healthy individuals to donate blood and contribute to saving lives.
- To promote a spirit of social responsibility and humanitarian service within the community

Expected Outcomes of the Program

- Increased awareness among students and staff regarding the significance and health benefits of voluntary blood donation.
- Active participation of donors leading to successful collection of blood units to support patients in need.
- Enhanced sense of social responsibility, empathy, and community service among participants.

Target Audience: Students of Acharya Institutes
