Alumni Talk on

Campus to Corporate

Skills, Insights, Networking, and the Value of Cultural Participation.

3rd December 2025 | 03:00 PM to 05:00 PM

Main Auditorium, Acharya Campus

ACHARYA ALUMNI ASSOCIATION

About the Program

"Alumini Talk" This session helps students smoothly shift from the academic world to the professional environment. It focuses on understanding workplace expectations, adapting to organizational culture, and maintaining work–life balance. Participants will gain insights intoprofessionalism, teamwork, and communication styles that differ from campus life. The program also covers how to handle the initial challenges of a new job effectively.

Objectives of the Program

- To prepare students for the behavioural and cultural changes required in the corporate world.
- To help participants build confidence and adaptability in a professional setting.

Expected Outcomes of the Program

- Students will be able to transition smoothly from college to corporate life.
- Participants will demonstrate a professional attitude and effective workplace behaviour.

Target Audience: 3rd Semester Information science and Engineering Students
