

Creative Modelling

Irrigation, Hydraulic Structures & Bridges

6th May, 2026 | 2:00 PM - 5:00 PM

Venue: Civil Seminar Hall, Acharya Campus

About the Program

Objectives of the Program

- Apply theoretical civil engineering concepts in a hands-on manner.
- Work in groups to develop and present models, enhancing communication skills.
- Motivate students to push their limits and learn from peers in a healthy competition.

Expected Outcomes of the Program

- Participants will develop creative and practical structural models that address modern engineering challenges.
- Participants will enhance their ability to work in teams, improving communication and leadership skills.
- The models will reflect industry-relevant concepts, helping students understand how engineering principles are applied in real-world construction.

Target Audience: 6th Semester of Civil Engineering Department

Committee Members

ADVISORY COMMITTEE

- Dr. C K Marigowda, Principal, AIT
- Dr. Rajeswari, Dean Academics, AIT
- Dr. Rajanna K R, Dean, Student affairs, AIT.

CONVENER

- Dr. P S Niranjan, Professor & Head, Department of Civil Engineering, AIT.

COORDINATORS

- Prof. Brunda G S, Asst. Professor, Dept. of Civil Engineering, AIT.
- Dr. T Soumya, Asst. Professor, Dept. of Civil Engineering, AIT.

Acharya Institute of Technology

Acharya Dr. S. Radhakrishnan Road, Acharya P.O
Soladevanahalli, Bangalore - 560107, Karnataka, India.
