About Program

Objectives of the Program

- To create awareness among students about e-waste generation, environmental impacts, and sustainable management practices.
- To promote activity-based and experiential learning through the “E-Waste Escape Room” competition.
- To encourage students to develop creative communication skills through e-waste awareness posters and slogans.
- To motivate students to adopt responsible e-waste practices, including reduction, reuse, segregation, recycling, and safe disposal.
- Co-curricular activity in subject 'Solid Waste Management'
