

Exuberance 5.0 NEXTGEN NEXUS

14th & 15th May, 2026 | 09:00 AM to 05:00 PM
Venue: Main Auditorium, Acharya Campus

About the Program

Exuberance 5.0 – The International-level Management Fest of Acharya Institute of Technology, stands as a dynamic platform where aspiring leaders converge to compete, collaborate, and create impact. Designed to bridge the gap between academic insight and real-world application, the fest features a diverse spectrum of events ranging from strategic business simulations and finance challenges to innovative marketing and entrepreneurial competitions. Beyond competition, Exuberance fosters meaningful networking opportunities, enabling participants to engage with peers, academicians, and industry experts.

Building on the grand success of Exuberance 4.0, conducted during July–August 2025 under the theme "KSHEERAPATHA"- a tribute to the galaxy we inhabit and a celebration of limitless possibilities - Exuberance 5.0 advances to a forward-looking vision with this year's theme, "NextGen Nexus." The theme has been thoughtfully chosen to symbolize the convergence of next-generation ideas, technologies, leadership mindsets, and global connectivity. "NextGen Nexus" reflects our commitment to nurturing future-ready managers who can integrate innovation, sustainability, digital transformation, and strategic thinking into a cohesive force for tomorrow's business world.

Objectives of the Program

- Gain practical experience in planning, organizing, and executing large-scale events.
- Build connections with industry professionals, participants, and peers to foster collaboration.
- Strengthen confidence and skills while contributing to the college's reputation and success.

About the College

Founded in 1990, Acharya aims to revolutionize education. With over 12,000 students and 100+ academic programs annually, it stands among the global education elite. Located in India's technical hub, Bangalore, Acharya prioritizes innovation and knowledge. The campus is spread across 120-acres and houses a centralized library, state-of-the-art laboratories, academic studios, and a 10,000+ seating stadium along with academic blocks. The institution fosters experiential and collaborative learning, shaping well-rounded individuals, evident in its diverse student population from 75+ countries. Acharya is an eco-friendly campus, and its design reflects our commitment to protecting nature. Through extensive afforestation of land, rainwater harvesting, creation of a 4-acre artificial lake, water treatment, use of alternative energy sources, and a ban on using substances that are not environment-friendly, we ensure our students learn the importance of sustainable living practices. The campus provides an ideal environment for students to unleash their creativity and take significant strides towards achieving their aspirations.

Vision

Acharya, committed to the cause of value-based education in all disciplines, envisions itself as a fountainhead of innovative human enterprise, with inspirational initiatives for academic excellence.

Mission

Acharya strives to provide excellent academic ambience to the students for achieving global standards of technical education, foster intellectual and personal development, meaningful research, ethical, and sustainable service to societal needs.

About the department/cell organizing the event

Department of MBA, started in the year 2006 with vision to be an Internationally acclaimed leader of entrepreneurial management education with highest ethical value. Currently the department of MBA have an intake of 240 per year and more than 700 students enrolled for the AIT-MBA during 2023-24, 2024-25 and 2025-26 academic years.

Our MBA program equips students with practical and theoretical training for investment and entrepreneurship. The focus on leadership and managerial skills makes students ready to meet real-world challenges as soon as they graduate. The program also enables you to focus on specific areas of business-like human resources, consulting, and data analytics. The MBA program is enhanced by Microsoft, offering a specialization in Business Intelligence. Our MBA program moulds students to be able leaders. They learn to lead teams, make strategic decisions, and drive organizational success. Our MBA program provide networking opportunities with industry professionals, alumni, and fellow students. These connections can help them in their career enhancement.

Vision

To be an internationally acclaimed leader of entrepreneurial management education with highest ethical values.

Mission

To foster business acumen and opportunities amongst future leaders through experimental learning for positive transformation in society.
