

FDP: LEADERSHIP AND COMMUNICATION MASTERY FOR ACADEMIC DELIVERY

7th August 2025 | 03:00 pm to 05:00 pm

Architecture Block, MBA Seminar Hall, Acharya Campus

About the Program

Acharya Institute of Technology is pleased to organize a **One-Day Faculty Development Program (FDP)** on **"Leadership and Communication Mastery for Academic Delivery"** a strategic initiative aimed at empowering faculty members with essential leadership competencies and advanced communication strategies for effective academic engagement.

Scheduled on **Thursday, 7th August 2025**, this comprehensive FDP is designed to strengthen leadership roles within academic settings, enhance classroom delivery through impactful communication, and foster a collaborative environment for institutional growth.

The program focuses on building self-awareness, influencing and motivating others, leading teams, and mastering communication tools that elevate teaching quality and student connection. Experienced trainers and academic leaders will lead interactive sessions, case discussions, and reflective exercises to promote personal and professional growth.

Through this initiative, the Department reaffirms its commitment to nurturing academic leaders who are confident, communicative, and capable of driving educational excellence.

Objectives of the Program

- To enhance the leadership skills of faculty for effective academic planning and team coordination.
- To develop advanced communication strategies that improve student engagement and classroom delivery.
- To empower educators to become influential leaders and mentors within academic institutions.
- To build faculty confidence in handling academic conflicts, feedback sessions, and cross-functional collaboration.

Expected Outcomes of the Program

- Improved leadership capabilities in managing academic responsibilities and teams.
- Enhanced classroom communication leading to better student participation and learning outcomes.
- Greater self-awareness and influence in professional interactions within and beyond the classroom.
- Strengthened institutional culture with empowered and communicative faculty leaders.
