

Grand Entrepreneurs Meet (GEM)

25th August 2026 | 09:00 AM to 06:00 PM

Venue: Acharya Campus

About the Program

The Grand Entrepreneurs Meet (GEM) is a networking and engagement event that connects students with entrepreneurs, startup founders, industry professionals, innovators, and alumni entrepreneurs. The event provides a platform for interaction, mentorship, experience sharing, and collaboration, enabling students to gain insights into entrepreneurship and explore opportunities within the startup ecosystem.

Objectives of the Program

- To connect students with alumni entrepreneurs and facilitate meaningful industry interactions.
- To inspire entrepreneurial aspirations by sharing real-world startup and business experiences.
- To build a strong alumni-student network that supports innovation, mentorship, and entrepreneurial growth.

Expected Outcomes of the Program

- Increased student interest and participation in entrepreneurship and startup activities.
- Enhanced mentorship and networking opportunities through alumni engagement.
- Stronger collaboration between alumni entrepreneurs, students, and the IEDC ecosystem.
