20<sup>th</sup> August 2025 | 02:00 pm to 05:00 pm

Acharya Campus

## About the Program

Sadbhavana Diwas is observed to commemorate the birth anniversary of Rajiv Gandhi, the former Prime Minister of India. The day promotes national integration, peace, love, and communal harmony among all Indians, regardless of caste, religion, or language. The Poster Presentation Program aims to visually express the theme of “**Harmony in Diversity: The Role of Values in a United Society**”, highlighting the cultural, religious, linguistic, and regional richness of India while reinforcing the values of mutual respect and peaceful coexistence. The poster presentation program on Sadbhavana Diwas not only celebrates the spirit of unity but also gives participants a platform to showcase their perspective on what makes India truly diverse and yet united. Through art, this event aims to leave a lasting impact on the values of peace and brotherhood.

### Objectives of the Program

- To highlight the significance of core human values such as respect, empathy, tolerance, and mutual understanding in fostering unity among diverse communities.
- To explore how cultural, linguistic, and religious diversity can coexist peacefully when guided by shared ethical values.
- To create awareness among students and citizens about the importance of value-based living in sustaining national integrity and social harmony.
- To examine real-life examples and historical events where values played a crucial role in unifying diverse groups.
- To inspire individuals, especially youth, to adopt and practice inclusive values in daily life and community interactions.

### Expected Outcomes of the Program

- Participants will gain a deeper understanding of how values contribute to building a cohesive and inclusive society.
- Increased awareness about the importance of ethical conduct in bridging cultural and ideological differences.
- Encouragement of respectful dialogue and collaboration among individuals from varied backgrounds.
- Students will reflect on their personal value systems and how they can contribute to a harmonious environment in schools, colleges, and society at large.
- A strong message will be conveyed that unity is not the absence of differences but the presence of shared values that transcend those differences.
