About Program

The Department of Business Administration and Department of Computer Applications are delighted to welcome the MBA and MCA 2026 Batch through an engaging Inauguration and Orientation Programme marking the beginning of their postgraduate academic journey. The programme is scheduled on Monday, 12th October 2026, from 9:00 AM onwards. It is designed to provide students with a comprehensive introduction to the institution, academic programmes, faculty, campus facilities, student support systems, and the wide range of academic, professional, co-curricular, and extracurricular opportunities available to them. The orientation will familiarise students with the academic structure, curriculum, examination system, institutional expectations, professional ethics, industry exposure, skill-development initiatives, and student engagement activities.

The programme marks the beginning of an exciting journey of learning, innovation, leadership, collaboration, and professional growth, empowering the MBA and MCA students to make the most of their time at the institution and emerge as competent, confident, and responsible future professionals.

Objectives of the Program

- To familiarise students with the institution and academic programmes.
- To create awareness about academic and career opportunities.
- To encourage interaction, teamwork, and student engagement.
