

# INVISIO 2026

## INVISIBLE MADE VISIBLE

29<sup>th</sup> May, 2026 | 2:00 PM - 5:00 PM

Venue: Acharya Campus

### About the Program

INVISIO 2026 – Invisible Made Visible is a 3D Mathematical Modelling Exhibition that transforms abstract mathematical concepts into creative visual models. The event encourages engineering students to explore innovation, real-world applications, and interdisciplinary learning through interactive exhibits, enhancing analytical thinking, teamwork, and technical presentation skills in an engaging and inspiring environment.

#### Objectives of the Program

- To encourage students to visualize and represent abstract mathematical and scientific concepts through innovative 3D models.
- To bridge theoretical concepts with real-world engineering applications by transforming invisible ideas into tangible exhibits.
- To promote creativity, analytical thinking, teamwork, and problem-solving skills among first-year engineering students.
- To provide a platform for students of all engineering branches to showcase innovation, technical knowledge, and presentation skills through an exhibition.

#### Expected Outcomes of the Program

- Students will gain a better understanding of mathematical and engineering concepts through practical visualization and model creation.
- Participants will enhance their creativity, teamwork, communication, and presentation skills.
- Students will develop innovative thinking and problem-solving abilities by connecting theoretical knowledge with real-world applications.
- The event will promote interdisciplinary learning and active participation among students from different engineering branches.

**Target Audience:** First year Students of AIT

### Committee Members

#### ADVISORY COMMITTEE

- Dr. C K Marigowda, Principal, AIT
- Dr. Rajanna K R, Dean- Students Affairs, AIT
- Dr. Mahesh S.S, First Year Coordinator Physics cycle, AIT
- Dr. Satish K, Head, Dept of Chemistry & First Year Coordinator, AIT

#### CONVENER

- Dr. T Rami Reddy, HOD - Mathematics, AIT.

#### COORDINATORS

- Mrs. Gayathri V, Asst. Professor, Dept. of Mathematics, AIT
- Dr. Tejaskumar R, Asst. Professor, Dept. of Mathematics, AIT
- Dr. Melvin Varghese, Asst. Professor, Dept. of Mathematics, AIT

#### Acharya Institute of Technology

Acharya Dr. S. Radhakrishnan Road, Acharya P.O  
 Soladevanahalli, Bangalore - 560107, Karnataka, India.
