

CONCEPT TO MODEL SCIENCE & ENGINEERING EXHIBITION

15TH SEPTEMBER, 2025 | 09: 00AM TO 5:00PM

ECE Department, Acharya Campus

About the Program

The “Concept to Model – Science and Engineering Exhibition” is designed to inspire creativity, innovation, and problem-solving among students by transforming theoretical concepts into practical working models. The program provides a platform for young minds to showcase their scientific ideas and engineering solutions through prototypes, experiments, and demonstrations.

Objectives of the Program

The Concept to Model Exhibition is more than just a display of projects; it's a celebration of curiosity, ingenuity, and hard work. This event provides an incredible opportunity for students to bring their most imaginative ideas to life, transforming classroom theories into tangible realities. It's a chance to showcase your talent, network with peers and industry experts, and gain valuable feedback that can propel your projects forward. We encourage every student to embrace this challenge, explore new ideas, and demonstrate how their passion can lead to groundbreaking innovations. The exhibition is a vibrant platform where the next generation of engineers and scientists will inspire us all.

Expected Outcomes of the Program

- **Development of Practical Skills:** Students will gain hands-on experience in applying theoretical knowledge to create functional models, thereby enhancing their technical and practical engineering skills.
- **Fostering Innovation and Creativity:** The event is expected to inspire students to think outside the box, leading to the development of unique and innovative solutions to real-world problems.
- **Improved Communication and Teamwork:** Participants will learn to effectively articulate their ideas and collaborate with peers, which are crucial skills for working in professional engineering and science environments.
- **Enhanced Problem-Solving Abilities:** By identifying challenges and developing solutions for their projects, students will sharpen their analytical and critical thinking skills.

Target Audience: Students of ECE

REGISTER NOW

Committee Members

ADVISORY COMMITTEE

- Mr. Marigowda C K, Principal, AIT

CONVENER

- Dr. Rajeswari, Prof. and HOD Dept. of ECE, AIT

EVENT COORDINATORS

- Dr. Munavar Sheriff I
- Mr. Jagadish M
- Mr. Kiran Kumar

Resource Persons Details

Dr. Munnavar Sheriff I

Designation: Assistant Professor,
Dept. of ECE, AIT

Mr. Jagadish M

Designation: Assistant Professor,
Dept of ECE, AIT

Mr. Kiran Kumar T

Designation: Assistant Professor,
Dept of ECE, AIT

Acharya Institute of Technology

Acharya Dr. S. Radhakrishnan Road, Acharya P.O
Soladevanahalli, Bangalore - 560107, Karnataka, India.

LOCATE US

Event Coordinator

Dr. Munavar Sheriff I
Assistant Professor,
Dept. of ECE, AIT
