

REEARTH

RESTORE. REUSE. REIMAGINE

12th, 13th & 14th May 2025 | 02:00 pm to 05:00 pm

Mechanical Seminar Hall, Acharya Campus

About the Program

To commemorate World Earth Day, the Department of Chemistry, in association with NSS-AIT, is organizing a series of student competitions aimed at raising awareness on the theme "ReEarth: Restore. Reuse. Reimagine." The events include:

- Poster Presentation
- Debate Competition
- Best from Waste

These activities are designed to engage students in environmental consciousness and promote sustainable practices.

Objectives of the Program

- To create awareness on environmental conservation and sustainable living.
- To encourage creativity, critical thinking, and communication skills.
- To promote the 3Rs (Reduce, Reuse, Recycle) through practical activities.
- To inspire teamwork and innovative eco-friendly ideas.

Expected Outcomes of the Program

- Increased awareness and responsibility towards the environment.
- Development of creative, speaking, and problem-solving skills.
- Adoption of sustainable practices by participants.
- Generation of innovative ideas for campus or community use.

Target Audience: First Year Students

Committee Members

ADVISORY COMMITTEE

- Dr. C. K. Marigowda, Principal, AIT
- Dr. Rajanna. K. R, Professor and Dean student affairs, AIT

CONVENER

- Dr. Satish. K., Head Dept. of Chemistry & 1 st Year coordinator, AIT

COORDINATORS

- Dr. Harish M.N.K., Professor, Department of Chemistry, AIT
- Dr. Vijay Kumar., Associate Professor, Department of Chemistry, AIT
- Dr. Muthu Kumar C., Associate Professor, Department of Chemistry, AIT
- Mrs. Bhagyashree B Jahagirdhar., Assistant Professor, Department of Chemistry, AIT
- Dr. Brungesh K. V., Assistant Professor, Department of Chemistry, AIT
- Dr. Viswanatha H.M., Assistant Professor, Department of Chemistry, AIT
- Dr. Beбето Roi., Assistant Professor, Department of Chemistry, AIT
- Ms. Chandrakala B.K., Assistant Professor, Department of Chemistry, AIT
