

SANKALP 2.0

A FIVE-DAY FDP ON

*Empowering Educators through Creative Thinking,
Digital Pedagogy, Personality Development and
Institutional Adaptability*

03rd - 07th August, 2026 | 09:00 AM to 05:00 PM

Venue: Polytechnic Board Room- AI03GF13-BR

About the Program

SANKALP 2.0 is a five-day Faculty Development Programme designed to enhance the professional effectiveness of educators through creative thinking, digital pedagogy, personality development, institutional adaptability, and quality culture. The programme includes expert sessions, interactive activities, hands-on learning, and reflective practices to prepare faculty members for future-ready education.

Objectives of the Program

- To enhance creative thinking and innovative teaching practices among educators.
- To familiarize participants with digital pedagogy and technology-enabled teaching tools.
- To strengthen the communication, leadership, personality, and professional competencies of faculty members.
- To develop adaptability towards institutional changes, quality practices, and evolving academic requirements.
- To promote integrated faculty excellence for future-ready education and continuous professional development.

Expected Outcomes of the Program

- Apply creative thinking techniques to improve teaching, learning, and academic problem-solving.
- Integrate digital tools and technology-enabled pedagogical practices into classroom instruction.
- Demonstrate improved communication, leadership, confidence, and professional effectiveness.
- Adapt effectively to institutional changes, quality initiatives, and emerging educational requirements.
- Develop a future-ready approach towards continuous learning, innovation, and faculty excellence.
