

ACHARYA INSTITUTE OF TECHNOLOGY

Department of Mechanical Engineering

SCIENCE EXHIBITION

From Curiosity to Creation

11th February, 2026 | 9 AM to 4:30 PM

Venue: Mechanical Seminar Hall, Acharya Institute of Technology

About the Program

Objectives of the Program

- Develop scientific thinking by encouraging students to observe, question, and understand everyday scientific phenomena.
- Promote learning by doing through hands-on experiments, models, and simple innovations.
- Encourage creativity and innovation among students by allowing them to present their own ideas and solutions to real-life problems.
- Build confidence and communication skills by giving students an opportunity to explain their projects to teachers, peers, and visitors.
- Create awareness about science in daily life and motivate students to apply scientific knowledge for community and environmental development.

Expected Outcomes of the Program

- Demonstrate improved scientific thinking by observing, questioning, and explaining everyday phenomena using basic scientific concepts.
- Students gain practical knowledge and skills through hands-on experiments and model-making.
- Students show enhanced creativity and innovation by designing and presenting original ideas and solutions to real-life and community-based problems.
- Develop confidence and effective communication skills by clearly explaining their projects and answering questions from teachers, peers, and visitors.
- Apply scientific knowledge in daily life and show increased awareness of environmental and community issues, promoting responsible and sustainable practices.

Committee Members

ADVISORY COMMITTEE

- Dr. C K Marigowda - Principal, Acharya Institute of Technology, Bengaluru.

CONVENER

- Dr. Manjunatha B, HOD, Mechanical Engineering, Acharya Institute of Technology, Bengaluru.
- Dr. Shilpa Sivashankar - Dean Outreach, Associate professor and Head, Department of Biotechnology, Acharya Institute of Technology, Bengaluru.

JURY MEMBER

- Macline Jameson, Advanced Tax Analyst, EY, Bengaluru Karnataka
- Ajay Bhat, Associate Manager at EY, Bengaluru, Karnataka
- Vaseem Choudhari, Manager at EY, Bengaluru, Karnataka
- Syed Asad Madni, Associate Tax Manager at EY, Bengaluru, Karnataka.

ORGANISING COMMITTEE

- Prof. Raju M G, Asst. Professor, Dept. of Mechanical Engineering, AIT, Bengaluru.
- Prof. Prajwal S, Asst. Professor, Dept. of Mechanical Engineering, AIT, Bengaluru.
- Prof. Divya N C, Asst. Professor, Dept. of Mechanical Engineering, AIT, Bengaluru.
- Dr. Shashikala A, Asst. Professor, Dept. of Mechanical Engineering, AIT, Bengaluru.

COORDINATORS

- Dr. Nagapushpa P, Associate Professor, Department of ECE, AIT
- Dr. Varalakshmi B D, Associate Professor, Department of CSE, AIT
- Prof. Geethalakshmi, Asst. Professor, Department of ISE, AIT
- Prof. Madhusudhan S, Asst. Professor, Department of EEE, AIT
- Prof. Liny P, Asst. Professor, Department of BT, AIT
- Prof. Sandeep K, Asst. Professor, Department of MT, AIT
- Prof. Vinutha, Asst. Professor, Department of AIML, AIT
- Prof. Abhijit Kumar, Asst. Professor, Department of DS, AIT
- Prof. Alwin, Asst. Professor, Department of AE, AIT
- Prof. Bhavya Shree, Asst. Professor, Department of CSE, AIT

Acharya Institute of Technology

Acharya Dr. S. Radhakrishnan Road, Acharya P.O
Soladevanahalli, Bangalore - 560107, Karnataka, India.

LOCATE US

Event Coordinator

Prof. Raju M G,
Asst. Professor,
Dept. of Mechanical Engineering,
AIT, Bengaluru.
