

# SCR: Bio centre visit 2025-26

30<sup>th</sup> December 2025 | 09:00 AM to 05:00 PM

Venue: Bio-centre, Hulimavu, Karnataka- 560076

## About the Program

The SCR: Bio Centre Visit 2025–26 was organized exclusively for the Dept. of Mechatronics Engineering to provide students with hands-on exposure to biological research environments. The visit helped students understand interdisciplinary applications of mechatronics in biotechnology, automation, and instrumentation, strengthening practical knowledge and industry relevance.

### Objectives of the Program

- **Enhanced Awareness and Understanding:** Participants will develop a clear understanding of the principles and practices of organic farming, waste management, and water conservation, including their environmental and social significance.
- **Practical Skill Development:** Participants will gain hands-on training and practical exposure in at least one selected area—organic farming, waste management, or water conservation—enabling them to apply sustainable practices in real-life situations.
- **Effective Documentation and Knowledge Sharing:** Participants will be able to systematically document observations, techniques, and activities related to organic farming, waste management, and water conservation, facilitating knowledge dissemination and future reference.

### Expected Outcomes of the Program

- To explore the organic farming, waste management and water conservation.
- To get training about any one among organic farming, waste management and water conservation.
- To document information and other activities related to organic farming, waste management and water conservation.

**Target Audience:** 3<sup>rd</sup> Semester students of Mechatronics Engineering.

## Committee Members

### ADVISORY COMMITTEE

- Dr. C. K. Marigowda, Principal, AIT
- Dr. Sanman S, NSS Programme Officer, AIT
- Dr. Mahesh SS, First year student coordinator, AIT

### CONVENER

- Dr. Devarajaiah R M, Professor and Head, MTE, AIT

### COORDINATORS

- Prof. Sandeep K, Asst. Professor, Dept. of MTE, AIT.
- Prof. Yashodha HN, Asst. Professor, Dept. of MTE, AIT.

### Acharya Institute of Technology

Acharya Dr. S. Radhakrishnan Road, Acharya P.O  
Soladevanahalli, Bangalore - 560107, Karnataka, India.
