About Program

Spark – Skill Development Initiative by Alumni is OBLF’s community-based skill development programme associated with Acharya Institute of Technology, focused on understanding community needs, identifying aspirations, and co-creating relevant, inclusive, and sustainable interventions. The initiative recognises each community’s unique strengths, priorities, and opportunities to develop solutions that respond to local realities.

Objectives of the Program

- Community engagement and participatory research
- Problem-solving in real-world contexts
- Teamwork, leadership, and professional ethics
- Report writing and evidence-based decision-making
