About Program

Objectives of the Program

- Promote physical fitness and healthy living among students through active participation in sports.
- Encourage sportsmanship, discipline, teamwork, and leadership among students across different departments.
- Provide opportunities for inter-departmental interaction and strengthen camaraderie and a sense of belonging within the institution.
- Identify and nurture sporting talent by providing students with a platform to showcase and develop their abilities.
- Develop essential life skills such as communication, coordination, decision-making, perseverance, and team spirit through competitive sports.
- Encourage active participation in extracurricular activities alongside academic pursuits.
- Create an inclusive and vibrant campus environment that promotes healthy competition, mutual respect, and unity among students.
