

Tech Tales & Triumphs:

An Alumni Interaction

17th November, 2025 | 1.40 PM to 3.30 PM

Venue: CSE 2nd floor Classrooms, Acharya Campus

About the Program

"The Tech Tales & Triumphs: An alumni interaction" program was organized to connect current students with our distinguished alumni, Mr. Raunak Parmar and Mr. Ravi Shankar Jha, who have excelled in their professional journeys. The session aimed to offer students meaningful insights into real-world industry practices, workplace expectations, and evolving career opportunities. Through the inspiring stories, experiences, and achievements shared by the alumni, students were encouraged to set clear career goals and develop essential technical, professional, and interpersonal skills required for future success.

Objectives of the Program

- To provide students with valuable insights into industry trends, professional growth, and career pathways through real-life experiences shared by alumni.
- To inspire students by showcasing the success stories, challenges, and achievements of our esteemed alumni in their professional journeys.
- To strengthen the bond between alumni and the institution, fostering a culture of mentorship and continuous learning.

Expected Outcomes of the Program

- Students will gain a clearer understanding of current industry expectations, workplace dynamics, and emerging career opportunities.
- The session will motivate students to set career goals and develop essential professional and interpersonal skills
- Alumni-student interaction will promote networking, guidance, and support for internships, placements, and higher studies.

Target Audience: 3rd Semester CSE Students
