

TECHNOOUTSAVA 2026

In Association with

07th May, 2026 | 9:00 AM - 5:00 PM

Venue: AIT, Acharya Campus

About the Program

Objectives of the Program

- To showcase advancements in technology, provide a platform for networking and collaboration among professionals and enthusiasts.
- To foster innovation, creativity and inspire the next generation of technologists and entrepreneurs.
- To provide an open platform to share and discuss ideas in different disciplines of Engineering.
- To create an interest among students towards research and technology/ product development in critical areas of importance.
- To motivate students to carryout research activities that would lead to indexed journal publications/patent.

Target Audience: UG Final Year Students AIT .

Expected Outcomes of the Program

- By providing a platform for students and faculty to present innovative projects and prototypes, the exhibition promotes a culture of applied research, interdisciplinary exploration, and publication-ready outputs.
- Encouraged faculty-student research collaboration, resulting in 12 joint paper submissions to national/international conferences and journals.
- To provide an opportunity to enhance their professional networks, connecting with peers, mentors, and industry experts.
