

THE REAL WORLD OF CYBERSECURITY

ALUMNI KNOWLEDGE SHARING SESSION

1st June, 2026 | 9:00 AM to 12:30 PM

Venue: Acharya Campus

About the Program

The Alumni Knowledge Sharing Session on "The Real World of Cybersecurity" aims to provide students with practical exposure to current cybersecurity practices and challenges. The session will help bridge the gap between academic learning and industry expectations through real-world experiences shared by alumni. Students will gain insights into cyber threats, ethical hacking, data protection, and career opportunities in cybersecurity. The speaker will also discuss essential skills, certifications, and emerging trends in the field. Overall, the session will enhance students' awareness, technical knowledge, and industry readiness in cybersecurity.

Objectives of the Program

- To provide participants with practical insights into the real-world challenges, threats, and opportunities in the field of cybersecurity through alumni experiences.
- To enhance students' awareness of current cybersecurity practices, ethical responsibilities, and industry expectations in professional environments.
- To motivate learners to explore career paths, certifications, and skill development opportunities in cybersecurity and related domains.

Expected Outcomes of the Program

- Participants will be able to understand real-world cybersecurity challenges, attack scenarios, and industry practices shared by alumni professionals.
- Participants will gain awareness of career opportunities, required technical skills, certifications, and emerging trends in the cybersecurity domain.
- Participants will develop an understanding of ethical cybersecurity practices and the importance of securing digital systems and information in professional environments.

Target Audience: 4th Sem CSE Students

Committee Members

ADVISORY COMMITTEE

- Dr. C K. Marigowda, Principal, AIT
- Dr. Prashanth K P, Alumni Coordinator, AIT

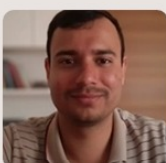

CONVENER

- Dr. Kala Venugopal

COORDINATOR

- Prof. Prashanth Kumar S P, Assistant Professor, Dept. of CS&E, AIT
- Prof. Deeksha Satish, Assistant Professor, Dept. of CS&E, AIT

Resource Person

Mr. Harsh Panwar

Designation: Cybersecurity lead
Cyberseal, Hyderabad.

Acharya Institute of Technology

Acharya Dr. S. Radhakrishnan Road, Acharya P.O
Soladevanahalli, Bangalore - 560107, Karnataka, India.

LOCATE US

Event Coordinator

Prof. Prashanth Kumar S P,
Assistant Professor,
Dept. of CS&E, AIT
