

The Web Evolution Learn, Lead, Launch

22nd to 26th September 2025 | 9:00 AM to 5:00 PM

ISE block, Acharya Campus

About the Program

The Value-Added Program on The Web Evolution: Learn, Lead, Launch for 5th semester students is aimed at strengthening their programming fundamentals and enhancing skills. The program provides hands-on training in core concepts such as HTML and CSS, enabling students to build a strong foundation. Through practical sessions, exercises, and mini-projects, students gain real-time exposure. This initiative not only boosts their confidence and also prepares them for future placement opportunities.

Objectives of the Program

- To strengthen students fundamental programming skills and concepts essential for web development.
- To provide hands-on training in HTML, CSS and JavaScript for building functional and visually appealing web pages.
- To enhance students problem-solving skills and confidence through practical exercises and mini-projects.

Expected Outcomes of the Program

- Students will be able to design and develop basic interactive web pages using HTML, CSS and JavaScript.
- Students will gain real-time exposure and practical experience through hands-on sessions and mini-projects.
- Students will be better prepared and confident to pursue placement opportunities in web development and related domains.

Target Audience: Information science and Engineering 5th semester students

Committee Members

ADVISORY COMMITTEE

- Dr. C K Marigowda, Principal, AIT
- Dr. Rajeswari, Dean Academics, AIT

CONVENER

- Prof. Mithuna H R, HOD, Dept. of ISE, AIT.

EVENT COORDINATORS

- Prof. Akshatha Ballal, Assistant Professor, Department of ISE, AIT
- Prof. Sushma T M, Assistant Professor, Department of ISE, AIT
- Dr. Pankaj Kumar, Assistant Professor, Department of ISE, AIT
- Prof. Arun K H, Assistant Professor, Department of ISE, AIT

Resource Persons Details

Monish Basaniwal

Designation: Wysa - Full Stack Engineer (Security)

Areas of interest: Development, Security, Cloud, Artificial intelligence

Nanditha C P

Designation: Rocketium (Product Designer)

Areas of interest: Design, Artificial Intelligence, AI agents and Agentic experiences

Mr. Rushiswar Sarikonda Nagaraju

Designation: Technical Mentor & Corporate Trainer

Areas of interest: Java, Python, MERN Stack, and Emerging Technologies

Mr. Shankar Narayan M

Designation: Placement Mentor & Technical Trainer

Areas of interest: Java, Python, MERN Stack, and Emerging Technologies

Dr. Prakash babu

Designation: Professor, Dept of CSE, AIT

Dr. Pankaj Kumar

Designation: Assistant Professor, Dept of ISE, AIT

Acharya Institute of Technology

Acharya Dr. S. Radhakrishnan Road, Acharya P.O
Soladevanahalli, Bangalore - 560107, Karnataka, India.
