

# ALUMNI ENTREPRENEUR MEET 2025

02<sup>nd</sup> August 2025 | 02:00 pm Onwards

Hall of Fame, Central Library, Acharya Campus

## About the Program

The Alumni Entrepreneur Meet 2025 is a dynamic platform designed to reconnect successful alumni entrepreneurs with their alma mater. The program aims to foster a spirit of collaboration, mentorship, and innovation by bringing together former students who have ventured into entrepreneurship. It provides opportunities for knowledge sharing, networking, and exploring partnerships, while also inspiring current students through real-world entrepreneurial journeys, challenges, and achievements.

### Objectives of the Program:

The objective of the Alumni Entrepreneur Meet is to foster meaningful connections among alumni entrepreneurs, promote knowledge-sharing, explore collaboration opportunities, and inspire current students through real-world entrepreneurial experiences.

- Reconnect and Engage Alumni Entrepreneurs: To strengthen the bond between the institution and its entrepreneurial alumni by creating a space for meaningful engagement.
- Encourage Mentorship and Collaboration: To facilitate mentorship opportunities and potential collaborations between alumni, students, faculty, and industry partners.
