

IMPLEMENTATION OF POLICE MARSHALS CONCEPT IN YOUR CAMPUS

A COMPREHENSIVE AWARENESS CAMPAIGN ON DRUG ABUSE AND CYBER CRIME

07th July 2025 | 10:00 am to 12:30 pm

Main Auditorium, Acharya Campus

About the Program

The "Police Marshals Concept" is a campus-based initiative in collaboration with law enforcement agencies aimed at promoting safety, security, and legal awareness among students. This program focuses on training selected students as Police Marshals to act as peer educators and safety ambassadors within their academic community. This specific campaign is centered around creating awareness and combating the dual threats of drug abuse and cybercrime – two critical issues affecting youth today.

Objectives of the Program

- To design and implement a comprehensive awareness campaign on campus.
- To educate students about the harmful effects and consequences of drug abuse.
- To inform students about the risks, legal implications, and preventive measures related to cybercrime.
- To promote responsible behavior and digital safety among students.
- To create a safer, more informed, and proactive campus community.

Expected Outcomes of the Program

- Increase student awareness of drug abuse and cybercrime.
- Promote responsible and informed behaviour among students.
- Reduce incidents related to drug use and cybercrime on campus.
- Strengthen peer support systems to encourage positive choices.
- Create a lasting educational impact through sustainable initiatives.
- Implement ongoing, student-focused awareness programs.

Target Audience: Faculties and Students of Acharya's NR Institute of Physiotherapy
