

ACHARYA PHYSIO SAMARPAN – 2 (BATCH OF 2025)

18th July 2025 | 09:00 am to 04:00 pm

Main Auditorium, Acharya Campus

About the Program

Acharya Physio Samarpan-2, organized for the Batch of 2025, is a heartfelt celebration of dedication, learning, and growth in the field of physiotherapy. This annual academic and cultural gathering serves as a platform for final-year students to reflect on their journey, express gratitude to mentors, and showcase their professional and creative accomplishments. The event brings together faculty, alumni, and students in a vibrant display of unity and pride, honoring the values of service, compassion, and excellence that define the Acharya School of Physiotherapy. Through inspiring speeches, cultural performances, and special recognitions, Samarpan-2 symbolizes a rite of passage for the graduating class, as they prepare to step into the professional world with confidence and competence.

Objectives of the Program

- To formally recognize the successful completion of the physiotherapy program by graduating students
- To highlight the personal, academic, and professional development of students throughout their course
- To motivate graduates as they transition into clinical practice or advanced education

Expected Outcomes of the Program

- Graduates receive official recognition of their academic qualifications.
- Graduates, families, and faculty feel a sense of pride, closure, and inspiration.
- High-performing students are awarded and recognized, encouraging future standards of excellence.

Target Audience: Faculties of ANRIPT, Graduates, Guests of graduates and other batch students
