

## ONE WEEK FACULTY DEVELOPMENT PROGRAMME ON TEACHING METHODOLOGIES AND TECHNOLOGY INTEGRATION

19<sup>th</sup> to 24<sup>th</sup> May 2025 | 09:00 am to 05:30 pm

Acharya Polytechnic, Acharya Campus

### About the Program

An In-house faculty development program is a training initiative within an educational institution to enhance the skills and knowledge of the faculty members. Program aim is to improve teaching quality, foster innovation, and support faculty growth. They can cover various topics such as teaching methodologies, technology integration, research skills, and leadership development.

#### Objectives of the Program

- To enhance the professional competencies of faculty members.
- To provide updated knowledge relevant to current academic and industry trends.
- To introduce and promote innovative teaching methodologies for effective classroom delivery.
- To strengthen advanced research capabilities and scholarly output.
- To foster a culture of continuous improvement in teaching and learning.
- To promote academic excellence through outcome-based and learner-centric practices.
- To encourage interdisciplinary collaboration among faculty across departments.
- To align faculty development with institutional goals and global educational standards.

#### Expected Outcomes of the Program

- Enhanced Teaching Effectiveness
- Improved Curriculum Delivery
- Research Orientation
- Technology Integration
- Collaboration and Peer Learning
- Leadership and Mentorship Skills

**Target Audience:** Acharya Polytechnic Faculties
